WE WILL, WHEN WE LIVE UNITED.[®]

United Way fights for the health, education and financial stability of every person in every community. But we are more than fundraisers. We are hand raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope.

We win by living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against our community's most daunting social crises.

So who are the hand raisers, the game changers? They're people who know that at the core of every human being is a desire to do good. Who recognize the power that comes from a shared purpose. Who understand we are stronger together than we are alone. In Kankakee and Iroquois Counties, it means people like you.

United Way of Kankakee and Iroquois Counties needs you to join the fight. Because your passion, expertise and resources will help the fight become a win. A win that's not just a short-term contribution, but a long-term solution.

We are part of a network of 1,800 United Ways in 41 countries and territories. But the place that needs you most is right here in Kankakee and Iroquois Counties. So raise your hand if you're ready to be that game-changer. Because United we fight, United we win. We have one life. To live better, we must Live United.
